2014 ANNUAL GOLF CLASSIC

The Lisa Beth Gerstman Foundation is proud to honor one of its own co-founders, Harvey Gerstman. 2014 marks Harvey's 55th year in the hardware, home center industry. After serving in the Armed Forces, Harvey launched a successful career as a distributor territory salesman, then selling for a paint manufacturing company — working his way up to President. In 1978, Harvey decided to strike out on his own. He founded Harvey Gerstman Associates, Inc., a Manufacturers Representative agency, by leveraging his successful career in the industry and forging business relationships with a number of hardware and paint manufacturers. In the late 1980s, he was quick to recognize the changing face of retailing in the home improvement category and was able to accelerate the growth of the company by focusing on that channel. Today, he leads a company with five successful divisions servicing all categories of retail: Harvey Gerstman Associates; HGA-Quest; Gerstman Sales & Consulting; Gerstman Group; and Quest Service Group.

Harvey Gerstman Co-Founder, Lisa Beth Gerstman Foundation Principal, Harvey Gerstman Associates, Inc.

Harvey, and his wife Carol, along with their children Linda, Dan and Pam, and Bradley and Cheryl, established the Lisa Beth Gerstman Foundation in 2003 with the mission of providing special needs children in the New York Metropolitan Area with the opportunity to attend fully integrated summer day camps. The Foundation, with Harvey's dedication, has been successful in that mission. Harvey and Carol are also active contributors to several causes, including Autism Speaks and City of Hope.

Thank you for your support.

Our Mission

To afford children with special needs the opportunity to attend summer day and sleep-away camps in integrated settings.

The Lisa Beth Gerstman Foundation enables children with special needs in the New York Metropolitan Area and the Northeast United States to experience summer camp. By partnering with existing accredited camps, the Foundation affords families the ability to send children into integrated camp settings.

The Lisa Beth Gerstman Foundation believes that every child deserves the opportunity to participate in a safe, caring, and fun learning environment. The Foundation's primary goal is to allow each child to build self esteem and friendships through integrated camping environments.

The first Lisa Beth Gerstman Foundation camp program was launched in 2003 at the Cross Island YMCA in Bellerose, New York and was an enormous success. In developing this special camp, Jean Dattner, the Cross Island YMCA's Special Populations Director, realized a lifelong dream to serve an unserved population in the community, and will continue to provide her vision and leadership to the camp in the years to come.

The Lisa Beth Gerstman Foundation is a 501(c)(3) organization.
